# CO-CURRICULAR RECORD

- The Co-Curricular Record can be accessed through MyTrent – navigate through Services/Careers/Co-Curricular Record (drag and drop to the bottom ribbon for easier access!)
- The CCR is a spot where students can record and track their involvement with clubs and groups, as well as other involvement at Trent (athletics, committees, College involvement, etc).
- Club executive roles can be included in the database, as well as other roles that are ‘trackable’ (ex. Trent Penals – the role of Penpal)
- In the fall, a CCR Administrator will be reaching out to all clubs to review the positions that currently exist for the club. This is a chance for clubs to update, edit or make changes to the positions for the 2022-2023 academic year.
- Later in the year, a CCR Administrator will ask club execs to provide a club participation list, so that we can approve student requests to add positions to their personal records. Club tracking needs to match the positions that exist in the CCR database.
- Please don't forget to remind members of your team that their participation is eligible for recognition on the CCR!
